

How to Make My Snowman

Joel 10B

1. Go to the fill bucket and choose a light green background. Aka 00ff00
2. Go to basic shapes and choose a circle that is 2.5 in and white. Put it at the bottom and at the middle.
3. Make a circle that is 1.75 in and white. Put it on top of the 1st circle.
4. Make a circle that is 1 in and white. Put it on top of the 2nd circle.
5. Go to stamps and choose a black smiley face size 6. Fit it on the top circle to make it look like a smiley face
6. Give it 2 brown arms on the outside of the middle circle at its horizontal point with 4 fingers and an arm that is 1.5 in in length and a line size of 25.
7. Give it 5 black buttons in the middle of the body with a 17 line size that go from the middle of the 1st circle to the middle of the 2nd circle.
8. Go to basic shapes and choose the part of a circle make it orange and make a carrot nose on its head in between the eyes and the mouth.
